

Executive Biography

Dr. Brenda Connor
Business & Solutions Creation
Ericsson Inc.

Brenda has been with Ericsson since 1994 and is a Business & Solutions Creation Expert for Ericsson's Service Delivery Ecosystem (SDE) in USA & Canada. Brenda creates new business through innovative and profitable end-user and developer focused solutions and implementation strategies. Brenda provides leadership in multi-network service architectures, service orchestration and end-to-end policy management in IMS and Telco 2.0 environments.

Brenda has 27 years experience in product development, systems engineering with recent focus in M2M and traditional services ecosystem including SLAs, authentication and authorization concerns and in cloud and SaaS deployment models. Dr. Brenda Connor holds a B.S. and a M.S in Computer Engineering from Boston University, and a PhD in Engineering Management.
